

**CY 2011 ODA Portfolio Review**  
**COUNTRY STRATEGIES OF DEVELOPMENT PARTNERS**

Development Partners	Country Assistance Strategy/Framework	Priority Areas
<b>MULTILATERALS</b>		
1. ADB	Country Partnership Strategy (CPS) 2011-2016 - Country Operations Business Plan (COBP)	ADB's support will be extended through five priority sectors: (i) transport, (ii) energy, (iii) education, (iv) agriculture and natural resources (with operations limited to the Strategy 2020 core area of environment), and (v) water supply, and other municipal infrastructure and services. Support to public sector management will be cross-cutting themes.
2. IFAD	Philippines Country Strategic Opportunities Programme (COSOP) for the period of 2010-2014	<p>IFAD's thrust is enshrined in its objective to "enable the rural poor to overcome their poverty." Under the Philippines COSOP for the period of 2010-2014, the strategic objectives (SOs) are the following:</p> <ul style="list-style-type: none"> <li>• SO1: Upland poor households in the 20 poorest provinces)– particularly those of indigenous peoples and agrarian reform beneficiaries – have improved access to and control over land and water resources and gainfully use these in environmentally sustainable endeavours, while gaining access to essential socioeconomic public infrastructure.</li> <li>• SO2: The entrepreneurial poor in selected rural areas, particularly in the Visayas and in northern and western, southern and eastern, and central Mindanao, have improved access to markets and rural financial services to enable them pursue, maintain and enhance farm-related, off-farm/ non-farm or micro-enterprise undertakings and to improve the value chains of agribusiness systems for their own benefit.</li> <li>• SO3: Selected marginalized and poor communities dependent on coastal resources in Bicol, eastern Visayas, northern Mindanao and the Autonomous Region for Muslim Mindanao (ARMM) have sustainable access to fisheries and other productive coastal resources, use sustainable resource management practices, and diversify livelihood opportunities to meet their basic needs (in</li> </ul>
