

**2009 ODA PORTFOLIO REVIEW
LIST OF ODA PROJECT OUTPUTS BY SECTOR**

INFRASTRUCTURE SECTOR
Central Mindanao Road Project, Arterial Road Links Development Project V & VI, National Roads Improvement and Management Program Phase II, Rural Road Network Development Project III, Metro Iligan Regional Infrastructure Development Project, Subic-Clark-Tarlac Expressway Project • Constructed/improved/rehabilitated a total of 509.41 kilometers national roads
Agrarian Reform Communities Development Project II, Mindanao Sustainable Settlement Area Development Project, Urgent Bridge Construction Project for Rural Development, Bridge Construction Acceleration Project for Calamity-Stricken Areas, Tulay ng Pangulo Para sa Magsasaka • Constructed/rehabilitated 10,153.53 lineal meters of bridges/flyovers
Agrarian Reform Communities Development Project II, Agrarian Reform Infrastructure Support Project III, Northern Mindanao Communities Initiative and Resource Management Project, Mindanao Sustainable Settlement Area Development Project, Infrastructure for Rural Productivity Enhancement Sector Project, Mindanao Rural Development Project II, Bohol Irrigation Project Stage 2 • Constructed/improved/rehabilitated a total of 2,665.3 kilometers farm-to-market roads
Quality Management for Highway and Bridge Construction and Maintenance Project • Finalized Manual for Long Span Bridges Maintenance
Northrail-Southrail Linkage Project Phase I • Completed assembly and leakage tests of 18 car bodies • Constructed/Rehabilitated 10 bridges, 13 stations and flagstops
LRT Line 1 Capacity Expansion Project, Phase II • Installed 21 three-car trains with air conditioners • Completed metal fabrication, repair of columns and repainting, removal and installation of parapet walls in 6 stations, and workshop roofing repairs
LRT Line 1 Rehabilitation II and Modernization II Project • Delivered 100 pieces of traction motor armatures and 100% normalization parts and spares • Fully modernized 31 Light Rail Vehicles (LRVs) with 100% parts delivered
New CNS/ATM Systems Development • Produced final report on scope, phasing and packaging for the project • Conducted site survey for the proposed radars in Kalibo, Mactan-Cebu, Mt. Majic, Davao, Laoag, Bacolod and Aparri
Laguindingan Airport Development • Constructed 109 duplex housing units for resettled families and 4.4 km four-lane access road from the national highway to the new airport
Philippine Rural Electrification Service Project (PRES-P) • Constructed 12,182 mini-grid power systems • Installed 5,129 SHS PV
Subic Bay Port Development Project • Completed works: 2 New Container Terminal in Cubi Point; access road (2-lane x1.3 km); rehabilitation works at Marine Terminal, Boton and Nabasan Wharves, 3-storey port administration building, navigation aids (21 light buoy, 2 light beacon and 1 vessel navigation radar system) and demolition/clearance of existing buildings and facilities to accommodate the construction of the New Container Terminal, range light at Boton Wharf, Naval Station Depot (NSD) warehouse; and PABX system • Procured the following equipment: 4 quay gantry cranes, pollution control vessels (1 marine garbage collector and 1 oil skimmer) and boats (1 search and rescue boat, 1 multi-purpose patrol boat and 1 line handling boat), International Ship and Port Facility Security (ISPS) Code requirements, additional oil skimmers and inflatable booms and accessories

Laoag River Basin Flood Control and Sabo Project <ul style="list-style-type: none"> Completed Sabo Dam and Fan Apex River Improvement Works, in Sarasi, Solsona, Dingras, Marcos and Nueva Era in the province of Ilocos Norte Completed the Laoag-Bongo and Alluvial Fan River Improvement Works, in Laoag City, San Nicolas, Dingras, Solsona, Marcos, Banna, and Nueva Era in Ilocos Norte
Restoration/Rehabilitation of Waterways in Selected River Basins Nationwide <ul style="list-style-type: none"> Delivered 6 Watermaster Classic III self-propelled dredgers to the project sites and conducted training for Operation and Maintenance
Agno River Basin Flood Control Project II-B <ul style="list-style-type: none"> Completed the Bayambang Stretch and Floodway works
Iloilo Flood Control Project (Phase II) <ul style="list-style-type: none"> Completed Social and Environmental aspect
Strengthening of Flood Management Function of DPWH <ul style="list-style-type: none"> Completed the Digmala River Flood Control Pilot Project in Bongabon, Nueva Ecija
Philippine Water Supply Sector Roadmap <ul style="list-style-type: none"> Prepared final Roadmap document Established the NEDA INFRACOM-Sub-Committee on Water Resources
AGRICULTURE, NATURAL RESOURCES AND AGRARIAN REFORM SECTOR
Land Administration and Management Project II <ul style="list-style-type: none"> Developed Land Management System Revised zonal values in Naga City FPA already passed the BiCam, awaiting the signature of the President to become into a law Completed systematic adjudication in 12 municipalities of Leyte and 3 in Bohol, 24 National Valuation standards, and 5 small grants and 5 programmatic grants under ISF Issued/distributed a total of 32,000 titles
Integrated Coastal Resource Management Project <ul style="list-style-type: none"> Completed participatory coastal resource assessments in 58 municipalities Formed National, Regional and Provincial Steering Committees Conducted 6 Focused Group Discussions on training needs Prepared 28 IEC plans
National Program Support – Environment Resources Management Program <ul style="list-style-type: none"> Approved Revised IRR for NIPAS Assessed vulnerability of 28 watersheds Prepared a 3-Year forward planning and budgeting strategy Established 3 watershed management committees (WMCs) in Regions 4A, 5, and 12
Laguna de Bay Institutional Strengthening and Community Participation Project <ul style="list-style-type: none"> Conducted LEAP in 24 micro-watersheds Developed computerized decision support system and Laguna de Bay Information System Established an on-line Information System for permitting, monitoring and enforcement
Casecnan Multi-Purpose Irrigation and Power Project/ Bohol Irrigation Project Stage 2, Southern Philippines Irrigation Sector Project, Help for Catubig Agricultural Advancement Project, Banaoang Pump Irrigation Project, and Bago River Irrigation System Rehabilitation and Improvement Project, Northern Mindanao Community Initiatives and Resource Management Project <ul style="list-style-type: none"> Generated 37,790 has. of newly irrigated areas and rehabilitated 71,487 has. of service areas Constructed 127.51 kilometers of new main canals, 332.03 kilometers lateral canals Rehabilitated 326.47 kilometers of main canals, 817.39 kilometers lateral canals Completed 1,434.71 service roads
Bohol Irrigation Project Stage 2, Southern Philippines Irrigation Sector Project, Help for Catubig Agricultural Advancement Project <ul style="list-style-type: none"> Completed 36.72 kilometers of access roads

Southern Philippines Irrigation Sector Project, Casecnan Multi-Purpose Irrigation and Power Project, Help for Catubig Agricultural Advancement Project <ul style="list-style-type: none"> • Constructed 201.54 kilometers of main farm ditches and 360.05 supplementary farm ditches
Bohol Irrigation Project Stage 2, Bago River Irrigation System Rehabilitation and Improvement Project <ul style="list-style-type: none"> • Constructed the 204.45 canal lining
Bohol Irrigation Project Stage 2 <ul style="list-style-type: none"> • Constructed the Bayongan dam and Capayas canal • Developed a total of 1,546.83 hectares of land
Southern Philippines Irrigation Sector Project <ul style="list-style-type: none"> • Constructed two reservoirs, six diversion and one intake dams
Bago River Irrigation System Rehabilitation and Improvement Project, Southern Philippines Irrigation Sector Project, Help for Catubig Agricultural Advancement Project, Banaoang Pump Irrigation Project <ul style="list-style-type: none"> • Constructed a total of 867 canal structures
Casecnan Multi-Purpose Irrigation and Power Project <ul style="list-style-type: none"> • Completed a total of 116 road structures
Help for Catubig Agricultural Advancement Project <ul style="list-style-type: none"> • Constructed three pumping stations and procured eight pumps, 74 public toilets, 589 communal toilets and 51 footbridges, 2 demo farms in Catubig and Las Navas
Banaoang Pump Irrigation Project <ul style="list-style-type: none"> • Constructed pumping station (98% complete), 1.38 kilometers tunnel and 0.614 kilometers closed conduit • Rehabilitated 16.63 kilometers of existing waterways
Irrigators' Association Strengthening Support Project (TCP2) <ul style="list-style-type: none"> • Completed re-arrangement of institutional set-up of Irrigators' Associations (IAs), minor rehabilitation of irrigation facilities, five types of training for NIA staff • Provided 14 types of training and capacity-development activities to IAs • Established demo farm in water-saving technology
FS and DE on the Improvement of Malinao Dam, Bohol <ul style="list-style-type: none"> • Reviewed the Preliminary Plan for the improvement of Malinao Dam and irrigation facilities including spillway and intake tower • Conduct of detailed investigation and survey, training of managers and engineers in Korea • Prepared detailed engineering design and cost estimation, construction drawings and specifications, bidding documents, implementation and financial plan • Provided equipment
Agrarian Reform Communities Project II <ul style="list-style-type: none"> • Constructed/rehabilitated 43 irrigation facilities • Established 512 alternative demo farms in 165 ARCs • Trained 712 extension workers and 4,022 farmer leaders, 480 coop leaders and agrarian reform beneficiaries on enterprise planning and management, and 10,015 community leaders in 165 ARCs in cooperative management • Assisted 296 cooperatives in joint ventures, marketing & production arrangements, and schemes with private sector
Northern Mindanao Community Initiatives and Resource Management Project <ul style="list-style-type: none"> • Established/Strengthened 226 Community Institutions, 818 self-help groups • Constructed 2 post harvest facilities, 25 potable water system out of the 33 target • Supported 92 functional literacy schools • Forged 13 coalition building agreements • Formulated 109 local development plans, and 7 ADSDPPs out of the target of 17 • Formulated/Enhanced 237 CI plans out of 194 target; 215 DBP/BAIP; 67 sustainability plans • Constructed/ rehabilitated 34 building/ structures out of the 38 target; 2 post harvest facilities (100%)

<ul style="list-style-type: none"> • Supported 92 functional literacy schools/ classes out of the 138 target • 77 tribal leaders became members of local dev't councils, 13 coalition building agreements forged • Integrated 109 local development plans in ADSDPP development programs and policies • Provided 121 services (TA, enterprise, market information and linkages in support to community enterprises) by the agencies, institutions, and individual consultants
<p>Mindanao Sustainable Settlement Area Development Project</p> <ul style="list-style-type: none"> • Completed 25 water supply systems, 13 irrigation systems, 108 post harvest facilities, 93 barangay health stations, 190 school buildings, 19 multi-purpose buildings, and 59 multi-purpose pavements • Completed 213 agricultural and environmental devt subprojects. These include reforestation/permanent forest (24), income-generating forestry (9), home lot fruit tree scheme/tree planting (13), techno demo (99), nursery establishments (10), and livestock/poultry development schemes (59).
<p>Agrarian Reform Communities Project II, Agrarian Reform Communities Development Project II</p> <ul style="list-style-type: none"> • Constructed 15 multi-purpose centers , 15 units solar dryer (100%), 5,303 hectares irrigable lands (Communal Irrigation Projects); installed 11 potable water system • Implemented 1,974 community-based projects; organized 344 infrastructure operations and maintenance groups; generated PhP25.03 M capital build-up; and, conducted 2,694 capacity building trainings with 88,037 participants. • Established 8,051 enterprises; 66,398 adopters on improved technology; forged 707 contracts/joint ventures and marketing agreements; assisted 348 people's organizations and 24 cooperatives; and, provided 34,714 individual access to credit. • Subdivided 3,412 hectares Collective Land Ownership Agreement (CLOAs).
