

Considerations for Inclusion in the Priority PAPs in the PIP

The agencies are expected to take into consideration the following in its submission of inputs for the Updated PIP:

- A. **National Spatial Strategy (NSS).** Each agency shall revisit the spatial dimension of its Tier 2 priority PAPs that are responsive to the PDP and RM to realize the strategies of the NSS, namely: regional agglomeration with growth in key centers, connectivity, and reduction of vulnerability.
- B. **RDC Endorsement and Inclusion in the RDIP.** All RDC-endorsed and NG PAPs under the RDIP, which contribute to the sectoral outcomes and outputs (as applicable) in the PDP and RM, and are for implementation within 2018-2022 shall be considered for inclusion by the agencies in the Updated PIP.

- C. **Harmonized Gender and Development Guidelines (HGDG) for Investment Programming**

The agencies shall use the HGDG for Project Development, Implementation, Monitoring and Evaluation in the preparation of the Agency PIP. The HGDG can be accessed through this link: http://w3.neda.gov.ph/hgdg/left_nav.html .

- D. **Good Governance and Rights-Based Approach (RBA) to Investment Programming**

Follow the pertinent guidelines from the Good Governance Toolkit and RBA questionnaire in the screening and selection of PAPs for inclusion in the Updated PIP. The Checklists can be accessed through the following links:
