

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
<b>Chapter 8: Expanding Economic Opportunities in Agriculture, Forestry, and Fisheries and Ensuring Food Security</b>		
Yield of major commodities increased (MT/ha, cumulative) - Palay	Cropping intensity increased from 2% to 2.5% in project areas.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
Volume of production increased ('000 MT, cumulative)	23,624 sqm out of the approved 23,624 sqm solar dryers constructed.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
Post-harvest losses of key agricultural commodities reduced (% , cumulative)	28 agrarian reform beneficiary organizations (ARBOs) and about 9,466 household beneficiaries dry palay using said facility.	
	11 units of warehouses and 11 units of solar dryers completed.	Integrated Natural Resources and Environmental Management Project - Bangon Marawi Comprehensive Rehabilitation and Recovery Programme (INREMP-BMCRRP)/ NIA/ IFAD
Number of group beneficiaries provided with technical support services increased (No.) <sup>1</sup>	86 out of 130 newly organized and strengthened people's organization/ community groups were trained in managing livelihood, agroforestry, and infrastructure projects.	Scaling-Up of the Second Cordillera Highland Agricultural Resource Management Project (Scaling-Up of CHARMP2)/ DA/ IFAD
Number of fisherfolk provided with production support increased (No.)	642,354 out of 724,313 fisherfolk directly and indirectly benefitted from project interventions (resource management and law enforcement trainings, resource rehabilitation, stock enhancement, Coastal Resource Management (CRM) infrastructure, production support/technology livelihood, post-harvest facilities/equipment).	Fisheries, Coastal Resources, and Livelihood Project (FishCORAL)/ DA/IFAD
Number of group beneficiaries provided with agricultural and fishery machineries and equipment increased	96,027 out of 45,000 proponent group members operating viable enterprises in production and productivity enhancement, and post-harvest and processing facilities.	Philippine Rural Development Project (PRDP)/DA/WB

<sup>1</sup> Aggregate Output Indicators pertaining to program areas, number of assisted enterprises and beneficiaries, either groups or individuals, may not be unique area or enterprises/beneficiaries, as an area/enterprise/group/individual may receive different and/or more than one machinery/equipment, technical support services, and livelihood projects.

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
Share of small farmers adopting new technologies to total number of small farmers trained with new technologies increased (% , cumulative)	1,050 out of 1,050 ARBs were trained in organic farming.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
	85 out of 85 Farmers Field Schools were established.	
	100 training sessions for secondary crops under Component A: Participatory Value Chain Analysis and Planning (PVCAP) conducted.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/ DAR/ IFAD
	385 training sessions for primary crops under component B: Integrated Small Holders Agricultural and Rural Enterprise Development (I SHARED) conducted involving 7,690 farmers adopting improved technologies.	
Share of small farmers borrowing from formal credit sources to total number of farmers availing credit increased (% , cumulative)	1,678 farmers have access to agricultural production credit from the LBP and other financing institutions in the amount of PHP 70.02 million from 2018 to 4 <sup>th</sup> quarter of 2021 for production and working capital needs.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD
Area distributed under Comprehensive Agrarian Reform Program CARP increased (ha, cumulative)	9,413.57 ha. of land were awarded through individual Certificates of Land Ownership Award (CLOAs)	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD
Number of Agrarian Reform Beneficiaries (ARBs) with Emancipation Patents (EPs)/ Certificates of Landownership Awards (CLOAs) increased (No., cumulative)	6,442 Agrarian Reform Beneficiaries (ARBs) in the 11 Agrarian Reform Communities (ARC) clusters were awarded with individual CLOAs.	
	14,482 Collective CLOAs covering 185,467 ha of land involving 120,048 ARBs were validated.	Support to Parcelization of Lands for Individual Titling (SPLIT)/ DAR/ WB
	23,832 ARBs covering 25,604 ha of land were processed with Individual Land Distribution Folder with Owner's Duplicate Copy which were submitted to the Registry of Deeds for generation of computerized titles (c-titles).	
Number of registered fisherfolk provided with livelihood projects (No.)	28,741 out of 219,959 registered fisherfolk provided with livelihood projects.	Fisheries, Coastal Resources and Livelihood Project (FishCORAL)/ DA/IFAD
Growth in labor productivity of farmers and fisherfolk increased (% , in real terms)	1,634 farmers employed (1,586 are men, while 48 are women)	Integrated Natural Resources and Environmental Management Project - Bangon Marawi Comprehensive Rehabilitation and Recovery Programme (INREMP-BMCRRP)/ NIA/ IFAD

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

Chapter 9: Expanding Economic Opportunities in Industry and Services through *Trabaho* and *Negosyo*

RMs indicator	Outcomes/ outputs	Project
Percent of loan allocation for micro and small enterprises to total bank loan portfolio increased (%)	49 sub loans provided to MSMEs (PHP 613.07 million) 171 sub loans provided to Cooperatives (PHP 830.30 million)	Harnessing Agribusiness Opportunities through Robust and Vibrant Entrepreneurship Supportive of Peaceful Transformation (HARVEST) Project/ LBP/JICA
Percent of loan allocation for medium enterprises to total bank loan portfolio increased (%)		
Number of MSMEs participating in Global Value Chains (GVCs) increased	8,466 farming households out of the 5,801 farming households target participated in 2021. <sup>2</sup>	RAPID Growth Project (Phase 1)/DTI/IFAD
Number of MSMEs integrated into domestic value chains increased	8,466 farming households out of the 5,801 farming households target participated in 2021. <sup>3</sup>	RAPID Growth Project (Phase 1)/DTI/IFAD
Number of Negosyo Centers established	4 out of 4 Negosyo Centers target set up in 2021.	RAPID Growth Project (Phase 1)/DTI/IFAD

## Chapter 10: Human Capital Development Towards Greater Agility

RMs indicator	Outcomes/ outputs	Project
Net enrollment rate increased (%)	90.6% SHS gross enrollment rate (GER) achieved in SY 2021-2022 against 79.2% SHS GER SY 2020-2021 baseline.	Senior High School Support Program (SHSSP)/ DepEd/ADB
<ul style="list-style-type: none"> <li>Kindergarten</li> <li>Elementary</li> <li>Junior High School</li> <li>Senior High School (SHS)</li> </ul>	At least 75% gross enrollment rate in secondary schools achieved for SY 2020-2021.	Secondary Education Support Program (SESP)/ DepEd/ADB
	576 children aged 4 to 8 years old enrolled in 9 schools (pre-school and multi-grade schools) in Sulu.	Education Pathways to Peace in Mindanao/ MBHTE and DepEd /DFAT
Proportion of learners achieving at least “nearly proficient” <sup>4</sup> level in NAT increased (%)	Target of 50% and 45% exit assessment mean percentage scores (MPS) partially achieved <sup>5</sup> for Mathematics and Science, respectively.	Senior High School Support Program (SHSSP)/ DepEd/ ADB
<ul style="list-style-type: none"> <li>Grade 6</li> <li>Grade 10</li> <li>Grade 12</li> </ul>	Mean Percentage Scores (MPS) of 29.60% for Mathematics and 31.26% for Science achieved in the Basic Education Exit Assessment among Grade 12 learners against the target MPS of 50% and 45%, respectively.	

<sup>2</sup> One of the major output indicators of Phase 1 of the RAPID Growth Project includes “farming HH participate in the Detailed Investment Plan (DIP)”. The figure reflected pertains to the number of farming households (some of which are also MSMEs) consulted during the formulation of the DIPs.

<sup>3</sup> Ibid.

<sup>4</sup> Per the Updated Philippine Development Plan 2017-2022, “nearly proficient” is interpreted as learners with a mean percentage score (MPS) ranging from 50% to 74%.

<sup>5</sup> DepEd used the SY 2018-2019 NAT results in measuring Grade 12 exit assessment MPS achievement.

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
Tuberculosis incidence decreased (per 100,000 population)	7,492 multi-drug resistant TB cases detected against 11,700 target population.	Development Objective Agreement (DOAg) for Family Health Improved/ DOH/USAID
Adolescent birth rate (aged 15-19) decreased (number of births per 1,000 women in that age group) decreased	80% of United States Government (USG)-assisted service delivery sites provided family planning counseling and/or services.	Development Objective Agreement (DOAg) for Family Health Improved/ DOH/USAID
Proportion of women of reproductive age (15-49 years old) with unmet need for modern family planning (FP) decreased (%)	340,560 new family planning clients in USG-assisted sites.	
Proportion of women who are using modern contraceptive methods increased (%)	84,280 USG-assisted community health workers providing FP information, referral and/or services in 2021.	
	3,863,866 against a target of 4,000,000 family planning clients enrolled in USG-supported sites.	
	5.78% average stock out rate of contraceptive commodities at FP service delivery points.	

**Chapter 11: Ensuring Food Resiliency and Reducing Vulnerabilities of Filipinos**

Number of Conditional Cash Transfer (CCT) beneficiaries covered	4,091,590(92.99%) against a target of 4,400,000 active households were registered to the Pantawid Pamilyang Pilipino Program (4Ps).	Second Social Welfare and Development Reform Project Additional Financing (SWDRPII AF)/DSWD/WB;
		Second Social Protection Support Project Additional Financing (SPSP-AF II)/DSWD/ADB;
		Expanded Social Assistance Project (ESAP)/ DSWD/ADB
		Beneficiary FIRST Social Protection Project (Beneficiary FIRST)/ DSWD/ WB

**Chapter 16: Promoting Competition**

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
Number of capacity building activities conducted for:	Two competition-related training programs established	Capacity Building to Foster Competition Project/ PCC/ ADB
- Executive agencies	16 <sup>6</sup> out of the minimum 40 doctor of philosophy and master's level fellows enrolled	
- Legislature		
- Judiciary		
- PCC and DOJ employees	33 participants <sup>7</sup> have short-term secondments and non-degree training undertaken	
<b>Chapter 19: Accelerating Infrastructure Development</b>		
Travel Time (decreased) via land per key corridor (in mins/km) <sup>8</sup>	Travel time reduced by 50% benefiting 13,354 ARBs and 32,321 farming households from 77 farm-to-market roads (FMRs) completed.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
	Transportation and hauling costs reduced by 20 to 30 percent from the previous fare rate.	
	108.63 km out of 108.63 km of FMRs constructed/rehabilitated.	
	1,441 km out of 2,300 km of FMRs including FMR with bridge completed.	Philippine Rural Development Project/DA/WB
	72.65 km out of 87.49 km of FMRs rehabilitated.	Scaling-Up of the Second Cordillera Highland Agricultural Resource Management Project (Scaling-Up of CHARMP2)/ DA/IFAD
	43 km out of 136 km of FMRs constructed/ rehabilitated.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD
	53.81 km of FMRs constructed.	Forestland Management Project (FMP)/DENR/JICA

<sup>6</sup> There were 20 nominees as of September 2021, however, four of them requested deferment as allowed by the GSDPC guidelines as of December 2021.

<sup>7</sup> The number of participants was recalculated from 148 as of September 2021 to 33 as of December 2021 to only reflect training programs funded under Component 2. Trainings/seminars under Component 1 are organized for the PCC and in some instances, extended to partner government agencies and academic institutions as part of its institutional targets for capacity building and advocacy activities. Non-degree grantees from the PCC, OSG, DOJ, and NEDA who participated in trainings at a cost (e.g., registration fee) under Component 2 have service obligations and are required to conduct knowledge-sharing sessions with their respective agencies. Previously, all training programs conducted by the project were counted under Component 2 including those conducted under Components 1 and 3.

<sup>8</sup> This is the nearest RM Indicator which these projects with FMRs contribute to.

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
	85km access road rehabilitated.	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ ADB & IFAD
	18 km of roads constructed (SCTEX Tarlac Exit to Aliaga) with travel time reduced by 50%. Travel time via CLLEx is 17 minutes while via Sta. Rosa - Tarlac Road is 34 minutes <sup>9</sup> .	Central Luzon Link Expressway (CLLEx) Project / DPWH/ JICA
	4.34 km of roads constructed.	Samar Pacific Coastal Road Project (SPCR)/ DPWH/ KEDCF
	2.22 km road section of the project (Contract Package 3) completed, including one of Luzon's longest bridges across Angat River in Bustos, Bulacan	Arterial Road Bypass Project (ARBP III)/DPWH/JICA
	18.97 km roads constructed	Programme for the Support to Rehabilitation and Reconstruction of Marawi City and its Surrounding Areas/ DPWH/ JICA
	28.89 km of road constructed	Improving Growth Corridors in Mindanao Road Sector Project (IGCMRSP)/ DPWH/ADB

<sup>9</sup> As reported by DPWH-Project Management Office (PMO).

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
Proportion of households (HHs) with access to safe water supply increased to the total number of HHs (% , cumulative)	Travel time from Lipa Floral Garden Junction, Batangas to Alaminos Junction, Laguna reduced to 75 minutes, from 95 minutes	Road Upgrading and Preservation Project (RUPP)/DPWH/ JICA
	Travel time from San Jose-Rizal Road Section to Mamburao-Abra De Ilog Road Section, Mindoro Province reduced by four hours, from about seven to eight hours to about three to four hours.	
	Travel time from Viga-Bagamanoc Section to end of Bacak-Minaile Section, Catanduanes reduced by 46 minutes, from 74 to 28 minutes.	
	Lipa Floral Garden Junction to end of Alaminos road section with total length of 17.37 km completed.	
	San Jose – Rizal road section to end of Mamburao – Abra De Ilog road section with total length of 158.40 km completed.	
	Viga-Bagamanoc to end of Bacak-Minaile road section with total length of 52.84 km completed.	
	234 out of 450 households provided access to safe water supply.	Convergence for Value Chain Enhancement and Rural Growth Empowerment (ConVERGE)/DAR/ IFAD
	Time to fetch water reduced from 30-60 minutes to 5 minutes.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy
	89 units of level 1 potable water supply (PWS) system completed, benefiting 1,610 ARBs and 6,663 household members.	
	19 units of level 2 PWS systems completed, benefiting 6,663 household members.	
Air passenger movement increased (in number of passengers, cumulative)	Constructed Tunnel No. 4 (including intake and outlet works) that can accommodate 19 m <sup>3</sup> /s of raw water from Angat Dam.	Angat Water Transmission Improvement Project/MWSS/ADB
	125,461 incoming and 125,977 outgoing domestic adult air passengers in 2021.	New Bohol Airport Construction and Sustainable Environment Protection Project/ DOTr/ JICA

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
Ratio of flood-protected areas to the total flood-susceptible areas increased (% , cumulative)	One Air Traffic Management Center constructed in Pasay City, near NAIA.	New Communications, Navigation and Surveillance/Air Traffic Management Systems Dev't/ DOTr/ JICA
	Ten surveillance and communications radars installed in NAIA, Mactan, Bacolod, Davao, Kalibo, Aparri, Laoag, Mt. Majic, Palawan, and Zamboanga.	
	Several flood control facilities constructed along the Cagayan river (2,482 m revetment) and Tagoloan river (642 m revetment) flood protection dike upstream of Tagoloan River and downstream of Tagoloan river (1,917 m revetment).	Flood Risk Management Project – Cagayan, Tagoloan and Imus River (FRMP-CTI)/DPWH/JICA
	642 km or 50,000 m3 flood protection dike constructed upstream of Tagoloan River.	
Ratio of actual irrigated area to the total potential irrigable area increased (% , cumulative)	1,916.8 m or 100,000 m3 flood protection dike constructed downstream of Tagoloan river.	
	Balut pumping station (2 m <sup>3</sup> /s) rehabilitation completed.	Metro Manila Flood Management Project (MMFMP)/ DPWH/ WB and AIIB
	1,667 ha of target 1,667 ha (or 100%) of irrigated lands rehabilitated servicing 2,960 ARBs.	Italian Assistance to Agrarian Reform Community Development Support Program (IARCDSP)/ DAR/ Italy Jalaur River Multipurpose Project, Stage II/ NIA/ KEDCF
	493.15 ha new irrigation areas generated.	
	8,323 ha out of 8,323 ha (or 100%) of irrigation areas rehabilitated.	
	120 ha of target 120 ha (or 100%) irrigation areas restored.	National Irrigation Sector Rehabilitation and Improvement Project/ NIA/ JICA
	23,211.25 of target 23,610 ha (or 98.3%) irrigation areas rehabilitated.	
	3,686 of target 10,606 ha (or 34.8%) irrigation areas restored.	
	1,875 ha out of 2,068 ha (or 90.66%) irrigation areas rehabilitated (and restored).	Integrated Natural Resources and Environmental Management Project - Bangon Marawi Comprehensive Rehabilitation and Recovery Programme (INREMP-BMCRRP)/ NIA/ IFAD Philippine Rural Development Project/DA/WB
	Six units of diversion dams completed.	
	36,835 meters of main and lateral canals completed	
	2,816 out of 2,816 hectares (or 100.00%) irrigated from 19 completed community irrigation systems.	

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
	262.7 out of 283 hectares irrigated rehabilitated by two completed/ rehabilitated communal irrigation systems.	Scaling-Up of the Second Cordillera Highland Agricultural Resource Management Project (Scaling-Up of CHARMP2)/DA/IFAD
Passenger trips via rail in Metro Manila increased (in % share to total passenger trips, cumulative)	Construction of 3.79 km viaduct is 100% completed.  Construction of two stations (Marikina Station and Antipolo Station)  Project served 1,127,574 passengers as of December 2021 <sup>10</sup> .	Capacity Enhancement of Mass Transit Systems in Metro Manila - LRT Line 2 East extension <sup>11</sup> /DOTr/JICA
	Decreased headway (time between trains) from 8-9.5 mins to four minutes.	Metro Rail Transit Line 3 Rehabilitation Project/DOTr/JICA
	Increased train speed from 30 kph in 2018 (before Sumitomo) to 60 kph on 7 December 2020.	
	Increased number of trains running from six trains in February 2018 to 22 trains on 21 September 2020, and to 23 trains on 17 January 2021.	
Classroom to pupil ratio improved	65,892 of 65,892 (100%) linear meters of rail replacement completed	
- Primary	4,032 out of 6,715 (or 60%) of DepEd senior high schools with an average of 40 to 45 students meeting the minimum service standards.	Senior High School Support Program (SHSSP)/DepEd/ADB
o Kindergarten		
o Grades 1-3		
o Grades 4-6		
- Secondary		
o Junior High School		
o Senior High School		
<b>Chapter 20: Ensuring Ecological Integrity, Clean and Healthy Environment</b>		
Area of denuded and degraded forestlands/ Protected Areas (PAs)	Degraded forestlands decreased from 70% to 60%. Open access areas <sup>13</sup> decreased from 75% to 29%.	Forestland Management Project (FMP)/ DENR/ JICA

<sup>10</sup> From July 2021 to December 2021.

<sup>11</sup> The project was inaugurated on 1 July 2021.

<sup>13</sup> Areas which are areas in Forest and Forest Land (FFLs) that are not covered by any tenure. In the absence of a tenure holder or resource manager, anybody can just come in and use the resources, in most cases, in an unsustainable and destructive approach living the resource degraded and damaged.

Source: 2011. Forest Land Use Planning—Training Guide. Philippine Environmental Governance 2 Project, Pasig City, Philippines

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
decreased (M ha, cumulative) <sup>12</sup>	8,556 ha of natural forestland rehabilitated through reforestation.	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
	13,317 ha of natural forestland rehabilitated through assisted natural regeneration (ANR).	
	14,307 ha of agroforestry with community participation established.	
Forest Cover increased (Million ha, cumulative)	Forest loss reversed and forest cover in upper river basins (URBs) increased by at least 10%.	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
Area planted with mangroves increased (ha)	657.4 out of 1,100 hectares of mangrove areas rehabilitated.	Fisheries, Coastal Resources and Livelihood Project (FishCORAL)/DA/IFAD
Number of coastal municipalities and cities with delineated municipal waters increased (annual)	101 out of 103 LGUs municipal waters with accompanying zoning ordinances delineated.	Fisheries, Coastal Resources and Livelihood Project (FishCORAL)/DA/IFAD
Number of Community Fish Landing Centers (CFLC) established (cumulative)	All of the 11 target Community Fish Landing Centers established.	Fisheries, Coastal Resources and Livelihood Project (FishCORAL)/DA/IFAD
Area of forestland under effective management increase (M ha, cumulative)	Two Watershed Management Councils and one Participatory Management Board formed to provide effective management of the three river basins. 69,324 ha of forest plantations that include silvopasture, fuelwood, and enrichment planting established providing goods and services provided previously by natural forests.	Forestland Management Project (FMP)/DENR/JICA
	18 watershed management plans that stipulate the O&M and investment mechanisms for said watersheds adopted by watershed management councils.	Integrated Natural Resources and Environmental Management Project (INREMP)/DENR/ADB
	Community Forest Management (CFM) Planning procedures formulated and applied in selected Community-Based Forest Management Agreement (CBFMA)-covered areas in Regions 1, 5, and 11	Promotion of Vertical Integration in Wood Processing through People's Organizations in Community Based Forest Management Areas in the Philippines (AFOCO-VIP)/DENR/ AFOCO

<sup>12</sup> Annual targets from 2017-2021 were revised to reflect the budget cuts on the Enhanced National Greening Program (ENGP)

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
Employment from biodiversity-friendly enterprises and other sustainable resource-based industries increased	<p>Income of People's Organization (POs) increased by 69%.</p> <p>19 agroforestry support facilities providing access to markets and expanding volume of agricultural production completed.</p> <p>A total of 101 Land Tenure Instruments were awarded to partner Peoples Organizations that would allow for the management and cultivation of certain parcels of forestlands.</p>	Forestland Management Project (FMP)/DENR/JICA
Area of terrestrial protected areas (including inland wetlands and caves) under National Integrated Protected Areas System (NIPAS) effectively managed increased (in ha, cumulative)	Expanded National Integrated Protected Areas System (NIPAS) signed into law in July 2018.	Biodiversity Finance Initiative (BIOFIN)/DENR/UNDP
Quality of coastal and marine habitats under NIPAS marine protected areas (MPAs) and other priority coastal and marine conservation areas improved (cumulative)	<p>25 marine/mangrove protected areas in Batangas Province completed.</p> <p>Integrated Coastal Management (ICM) Assessment Report on 32 provinces (with estimated total shoreline of 9,747 km) completed and disseminated.</p>	Scaling up Implementation of the Sustainable Development Strategy for the Seas of East Asia (SDS-SEA)/DENR/GEF
<p>Coverage of protected areas in relation to marine areas (%)</p> <p>Area of Marine Protected Areas (MPAs) under NIPAS effectively managed increased (ha)</p>	<p>Documents declaring and supporting the establishment and management of the following Marine Protected Area Networks (MPANs) in the three project sites approved: (a) Verde Island Passage (1,000,000 ha); (b) Davao Gulf (5,000 ha); and (c) Lanuza Bay (147,238 ha).</p> <p>All five project sites in regions IV-A, IV-B, VII, IX, and CARAGA have achieved the desired increase in environmental quality scores.</p>	Strengthening the Marine Protected Areas to Conserve Marine Key Biodiversity Areas Project (SMARTSEAS)/ DENR/GEF-UNDP
Biodiversity and functioning of ecosystem services sustained	Island-wide review of the Wildlife Act conducted in Clark City, Cebu City, and Butuan City.	Project on Illegal Wildlife Trade / Combatting Environmental Organized Crime in the Philippines (IWT)/DENR/GEF

## Results of ODA Projects and Programs and their Alignment with the PDP-RMs

RMs indicator	Outcomes/ outputs	Project
	147 payments for ecosystem services or tourism initiatives supported.	Protect Wildlife Project (PW)/ DENR/USAID
	An estimated USD 626,862.00 revenue generated from the sale of ecosystem services in target sites.	
Greenhouse Gas (GHG) emissions per sector reduced (million MT CO2e)	Country's compliance with set quota for consumption of Hydrochloro-fluorocarbon (HCFC)-bearing products monitored.	ODS-Institutional Strengthening Project – Phase XII (ODS-ISP)/ DENR/ UNEP
	Licensing system to limit the consumption of Ozone-Depleting Substances (ODS) (HCFC) established.	
	ODS regulation and licensing system enforced.	
	525,730 tons of CO2-equivalent (tCO2-e) Certified Emissions Reductions (CERs) delivered.	Carbon Asset Development Fund - Methane Recovery from Waste Management Project (CADF)/ LBP/ WB
