## CY 2023 ODA Portfolio Review

No.	Project Title /IA/DP	Nature of Restructuring	Details of Nature of Restructuring	Reasons for Restructuring	Status of Approval/Review/ Target Date of Submission
			<p><b>Change in financing mix</b> as nine pumping stations (amounting to PHP 1,527.68 million) originally proposed to be funded through Official Development Assistance (ODA) loan proceeds, were financed through General Appropriations Act (GAA) due to urgency considerations.</p>	<p><b>Increase in cost</b> due to the: (a) upgrading of the requirements for the pumping stations in the catchment/drainage areas; (b) for solid waste management, conduct of interim community-based activities (on top of the existing community-based program), additional metro-wide activities, and implementation of centralized modern and innovative facilities; (c) increase in cost of consulting services and project management; and (d) inflation resulting in increase in prices of supplies, goods and services.</p> <p><b>Partial cancellation of loan proceeds</b> due to the use of government funds for sub-components originally intended for loan financing, and as a result of the strengthening of the US dollar against the Philippine Peso.</p>	<p><b>Update:</b> The ICC Secretariat provided its comments and clarifications to the DPWH and MMDA submission through letter dated January 22, 2024. Said comments were further discussed through technical meeting conducted on February 23, 2024.</p> <p>A Preliminary Report, dated April 11, 2024, was submitted to the ICC Core Secretariat based on the additional submissions of DPWH and MMDA and as discussed during the February 23, 2024 meeting.</p> <p>The ICC Secretariat transmitted its comments on the latest documents submitted by DPWH on April 16, 2024. Said comments were discussed with DPWH through a technical meeting conducted on April 23, 2024. DPWH submitted the latest documents pertinent to NEDA on April 24, 2024.</p> <p>The ICC-TB, in its May 30, 2024 meeting, has endorsed the</p>

				<p>Mindanao Avenue Interchange and C5/ Green Meadows/ Acropolis/ Calle Industria Interchange in view of the high bid submitted by the lone bidder.</p>	<p>NEDA in its email on June 5, 2023 provided its remaining comments and was responded by DPWH on June 7, 2023. DPWH in its letter dated July 11, 2023 requested NEDA for updates.</p> <p>On August 18, 2023, the ICC-CC instructed DPWH to: (a) repackage the proposal to replace the interchanges determined by DPWH to be non-implementable; and (b) coordinate with DOF on repurposing the JPY 7,929 million loan from JICA for the repackaged proposal.</p> <p>DPWH requested for a two-year provisional loan validity extension to allow the Department enough time to finalize the proposal for change in scope and cost on December 15, 2023. However, this request was superseded by the January 9, 2024 ad referendum ICC approval of an interim loan validity extension until June 30, 2024.</p> <p>JICA issued its concurrence to extend the disbursement period of the loan until June 30, 2024</p>
